

MAKING THE RIGHT CHOICE BS EN3 - COLOUR CODED FIRE EXTINGUISHERS

Type	Water	AFFF Foam	co ²	ABC Powder
 Paper, wood textiles and fabrics	4	4		4
 Flammable liquids		4	4	4
 Flammable gases				4
 Metals				Special powder only
 Electrical equipment			4	4
 Cooking oils and fats				

DRY POWDER EXTINGUISHERS

- XPP 1L 1kg. ABC Dry Powder (boxed 12's)
- XPP 2L 2kg. ABC Dry Powder
- XPP 4L 4kg. ABC Dry Powder
- XPP 6L 6kg. ABC Dry Powder
- XPP 9L 9kg. ABC Dry Powder

Simple to operate with seize & squeeze operation, dry powder extinguishers are ideal for use against class A, B & C fires. Highly effective against petrol and volatile liquids which makes them ideal for vehicle protection. Multipurpose dry powder is an excellent choice for both industrial and domestic premises.

WATER EXTINGUISHERS

- XPW 6S 6 litre Water - stored pressure - filled
- XPW 9S 9 litre Water - stored pressure - filled
- XPW 9C 9 litre Water - cartridge operation - filled

Simple to operate with seize & squeeze operation, water extinguishers are ideal for use against class A fires involving wood, paper, textiles and other class A risks. NOT TO BE USED ON ELECTRICAL RISKS.

SPRAY FOAM EXTINGUISHERS

- XPF 6S 6 litre Foam AFFF - stored pressure - filled
- XPF 9S 9 litre Foam AFFF - stored pressure - filled
- XPF 6C 6 litre Foam AFFF - cartridge operation - filled
- XPF 9C 9litre Foam AFFF - cartridge operation - filled

Simple to operate with seize & squeeze operation, spray foam extinguishers are ideal for use against class A & B fires. Highly effective against petrol and volatile liquids, forming a flame smothering seal over the surface and hence also preventing re-ignition, ideal for multi risk usage in areas such as workshops and garages. The 6 Litre model is ideal for shops and offices where less weight is preferred. NOT TO BE USED ON ELECTRICAL RISKS.

CARBON DIOXIDE EXTINGUISHERS

- XCO 2 2kg Carbon Dioxide
- XCO 5 5kg Carbon Dioxide

Carbon dioxide is a time proven clean agent. Non conductive CO₂ is particularly effective in confined areas, where there is a risk from flammable liquids, being non-toxic and leaving no residue CO₂ will not harm food, fabrics, machinery or electrical equipment. SAVE FOR USE ON ELECTRICAL FIRES.

FIRE BLANKETS

- FB 1R 1m x 1m Fire Blanket - plastic wallpack box (boxed 10's)
- FB 2R 1.8m x 1.8m Fire Blanket - plastic wallpack box (boxed 10's)

5 YEAR GUARANTEE

The Extinguishers are covered by a 5 year guarantee against defective materials or workmanship. We either repair or replace such defective extinguishers. at our option, free of charge provided that the extinguisher has been maintained in accordance with BS 5306 Pt 3 by a service organisation awarded quality assurance registration under BS EN ISO 9002 to carry out this maintenance.

This guarantee does not cover defects caused by neglect, improper environmental conditions or accidental damage. Normal service consumables are not covered.
