FEATURES

- Neat contemporary design
- Unique wall mounting system
- High impact resistance
- Attractive matt finish
- Complies with the requirements of BS1363/A
- Neon indicators standard on rewirable units
- Available switched or unswitched
- Unique point of sale oyster pack for full product visibility at point of sale

Replaces:	VX6657	= 7800
VX6655	= 7802	VX6658BK = 7801
VX6656BK	= 7803	VT0370 = 7746

NOTE: Four appliances can be plugged into these units providing that the combined overall load does not exceed 13A, 250V AC.

Cat.No.	Color	Description	VPE/Pack
7800	White	4 gang, unswitched, with neon	5
7801	Black	4 gang, unswitched, with neon	5
7802	White	4 gang, switched, with neon	5
7803	Black	4 gang, switched, with neon	5
7746	White	4 gang unswitched trailing socket with neon, pre-wired with 1m 13A cable and resilient 13A plug	1

Cable Drums United Kingdom

FEATURES

- Robust moulding
- High impact resistant, flush fitting socket
- Hanging points for storage or ladder use
- Pre-wired with 13A resilient plug
- Easy to re-winding device

Cat.No.	Description	VPE/Pack
7975	30' (9.14m) x 5 Amp. Cable Drum	5
7976	30' (9.14m) x 13 Amp. Cable Drum	5
7904	20' (6.10m) x 5 Amp. Extension Lead	10
7907	33' (10.06m) x 5 Amp. Extension Lead	5
7914	12' (3.66m) x 13 Amp. Extension Lead	10

Extension Leads United Kingdom

FEATURES

- Lightweight, high impact resistant resilient sockets
- Pre-wired with 13A resilient plug
- All leads subject to 100% visual and electrical testing
