

ANTI VANDAL BULKHEAD

A tough and robust easy to install bulkhead fitting, available with either vandal resistant polycarbonate or die cast aluminium base. The fittings are provided with either prismatic or opal polycarbonate screw down diffuser; which is shatterproof, weather resistant and UV stabilised. The units are also available with anti tamper screws for additional security.

The bulkhead has multiple knockouts and is available in 100w GLS or energy saving single and twin 9w options, a photocell version is also available (external use only),

- IP65 rating.
- Suitable for internal and external use.
- 100w max GLS or single or twin 9w options.
- Photocell version (external use only).
- Rated for continuous use.
- Multi 20mm knockouts.
- Screw down cover.
- Red, Green, Blue and Amber diffusers available.
- Available with anti tamper screws on request.
- Energy saving options include lamp.
